

Coco Candles Berlin

Catalogue

Light that supports stillness & sustainability.

Our handcrafted candles are designed to bring warmth, calm, and intention to wellness spaces. Made with organic soy wax for a clean, long-lasting burn, they offer a soft glow and gentle fragrance that complements yoga classes, meditation, and relaxation rituals.

Created for yoga studios, retreats, spas, and mindful spaces and events, our candles help cultivate an atmosphere of serenity and presence.

Customizations available for retreats, events, and wellness gifting.
